## THEATRE

### PERFORMANCE CAMPS

ALL Performance Classes provide intensive age-appropriate instruction in acting, voice and choreography. Students stand in the spotlight & learn-by-doing as they are cast, rehearse and perform in a musical or play. No auditions or previous experience is required unless otherwise noted. Casting takes place on the first day of class.

**PRODUCTIONS:** For either the beginner thespian or returning actor/actress. These classes offer students the chance to participate in a full length theatrical production with all the associated stage elements (lighting, sound, makeup, costumes, props). Production classes are rehearsed and performed on the Kennedy Grand Stage in front of a public audience.

**RADIO THEATRE PRODUCTIONS:** Campers rehearse and then experience the thrill of performing an old-fashioned radio show complete with live sound effects for a public "live studio" audience.

**STORYBOOK THEATRE:** For the young beginner actor/actress who wishes to test his/her skills on stage in front of an audience, but has the comfort and security of performing in a small and intimate setting with a short-format production. These classes teach the fundamentals of the theatre production process as they bring favorite children's stories to life. Storybook classes are rehearsed and performed on the Queen

Mother's Storybook Stage in front of family and friends. **REVUE:** Campers learn production numbers with a strong emphasis on dramatic choreography and staging with selections from popular theatrical musicals or current radio hits.

### THEATRE TECHNIQUE CAMPS

**VOICE:** Various music curriculum taught by professional vocal coaches with a concentration on skill and technique to enhance performance.

**ACTING:** A variety of age appropriate camps taught by theatre professionals offer specific instruction on topics including film acting, audition prep, improvisation and basic acting techniques.

**MODELING:** Introduction to age appropriate make-up, grooming, hair styling, etiquette, runway movement and posture, with a focus on building self esteem and awareness.

### THEATRE EXPLORATION CAMPS

**DRAMA QUEENS (girls) & ADVENTURE CAMPS (boys):**

These girls or boys only camps channel dramatic inclinations and have a "stage-load" of fun with innovative theatre instruction.

**THEATRE SKILLS:** Offerings include specialized camps in theatrical make-up and prop techniques.

**IMAGINE THAT:** An introduction to drama for our youngest actors using themed costumes and props.

## VISUAL ART

All art campers will create take-home art projects.

### ART EXPLORATION CAMPS

**SUGAR & SPICE:** All for girls! Deliciously fun painting, fashion, craft, and cake decorating projects.
