CLASS DESCRIPTIONS

THEATRE

PERFORMANCE CLASSES

ALL Performance Classes provide intensive age-appropriate instruction in acting, voice and choreography. Students stand in the spotlight & learn-by-doing as they are cast, rehearse and perform in a musical or play. No auditions or previous experience is required unless otherwise noted. Casting takes place on the first day of class.

PRODUCTIONS: For either the beginner thespian or returning actor/actress. These classes offer students the chance to participate in a full length theatrical production with all the associated stage elements (lighting, sound, makeup, costumes, props). Production classes are rehearsed and performed on the Kennedy Grand Stage in front of a public audience.

RADIO THEATRE PRODUCTIONS: Students rehearse and then experience the thrill of performing an old-fashioned radio show complete with live sound effects for a public "live studio" audience.

STORYBOOK THEATRE: For the young beginner actor/actress who wishes to test his/her skills on stage in front of an audience, but has the comfort and security of performing in a small and intimate setting with a short-format production. These classes teach the fundamentals of the theatre production process as they bring favorite children's stories to life. Storybook classes are rehearsed and performed on the Storybook Stage in front of family and friends.

THEATRE TECHNIQUE CLASSES

VOICE: Various music curriculum taught by professional vocal coaches with a concentration on skill and technique to enhance performance.

MODELING: Introduction to age appropriate make-up, grooming, hair styling, etiquette, runway movement and posture, with a focus on building self esteem and awareness.

ACTING: A variety of age appropriate classes taught by theatre professionals offer specific instruction on topics including film acting, audition prep, improvisation and basic acting techniques.

THEATRE EXPLORATION CLASSES

DRAMA QUEENS (girls) & ADVENTURE KIDS (boys): These girls or boys only classes channel dramatic inclinations and have a "stage-load" of fun with innovative theatre instruction.

THEATRE SKILLS: Offerings include specialized classes in theatrical make-up and prop techniques.

IMAGINE THAT: An introduction to drama for our youngest actors using themed costumes and props.

KVPAC summer activities are skill based instructional classes, not a daycare service regulated by the department of family and protective services.

ART EXPLORATION CLASSES

SUGAR & SPICE: All for girls! Deliciously fun painting, fashion, craft, and cake decorating projects.

ART FOCUS CLASSES

THEMED MIXED-MEDIA: Mixed media classes using sculpture, painting, textile arts, and other art mediums tied together by a weekly theme.
